

Co-op Academy
Beckfield

Update

Friday 19th July 2018

Dear Families of Beckfield,

I thought it was time to share with you a few of the exciting things that have been happening at school over this last month.

Thank you to everyone who joined us for sports day and thank you to the amazing year 6 pupils who ran the event. I was so proud of your children during that day because they put in a great effort and worked well together.

In addition, congratulations to our Year 4 pupils who were recently praised for their behaviour and good sportsmanship during an interschool fundamentals festival at Pudsey Bolton Royd.

Our pupils are keen to show the Co-op way of being, **be yourself always** and bring their best selves to any sporting competition.

Our school council visited Manchester Metropolitan University and Co-op headquarters at 1 Angel Square. At the end of the day the pupils were undecided if they wanted to be a physiotherapist, nurse or teacher. They did however all agree, that they wanted to go to university when they were older.

Thank you to everyone who contributed to the parental survey. The results show that you recognise all the hard work that staff are putting into improving things for our children. Look at the back of this letter for our scores and next steps.

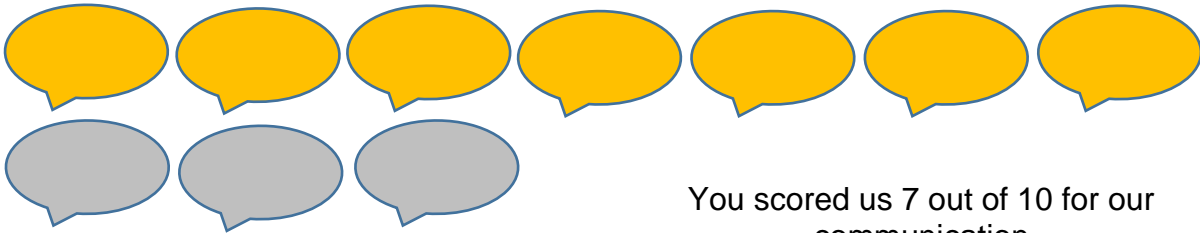

Love

Johanna Jobson

Foretel survey results July 2018

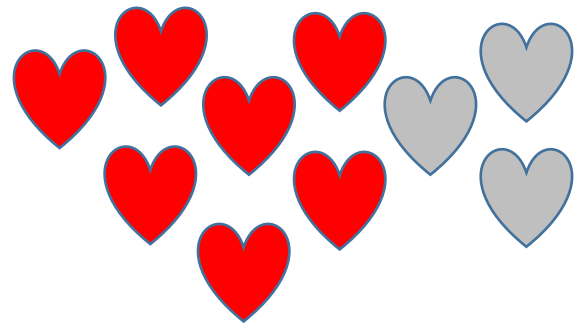

All ours scores are up when compared with the January 2018 survey

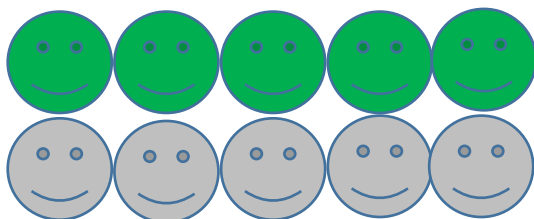

You scored us 7 out of 10 for our communication

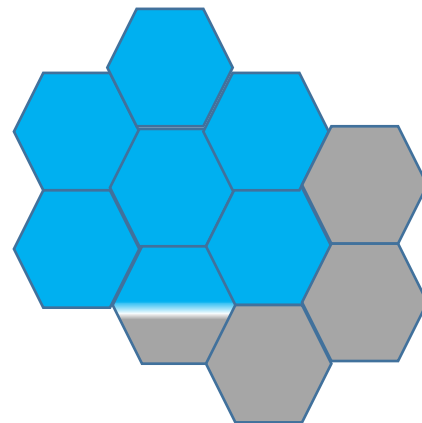

You scored us 7 out of 10 for child development

You scored us 7 out of 10 for our diversity and community Spirit

You scored us 5 out of 10 for our pupil behaviour and behaviour management

You scored us 6.5 out of 10 for our involvement

What we will do next

We will run more events for our parents and community.
We will share more information about your child's learning and how you can help.
We will improve our behaviour management and share the results with you.
